Giving families peace of mind.

Service you can depend on

When you need healthcare, you need a medical scheme that responds.

SAMWUMED is known for paying legitimate claims quickly, delivering excellent member service and making it easier for members to access the care they need without unnecessary delays.

Additional Free Benefits

In addition to your normal benefits, you have access to **11 free health programmes**, including wellness, diabetes, cancer and back and neck programmes.

Because SAMWUMED doesn't just help when you're ill - we help you stay well too.

Wait, there's more. SAMWUMED Members get to enjoy **10% off** their gym membership if they join **Virgin Active**, over and above any existing promotion offered at Virgin Active at any given time.

Expecting mothers get a comprehensive guide on how to take care of themselves and their unborn baby through the Scheme's Maternity Programme managed by experts **Tshela Healthcare**.

Lastly, our **Sports Injury Benefit** is an additional benefit that looks after our active members who enjoy being fit and healthy through Sports and exercise.

WHY CHOOSE SAMWUMED?

We understand municipal employees

SAMWUMED has been caring for municipal employees and their families for decades. Every benefit, every option and every service is designed with one goal in mind: making quality healthcare accessible, affordable and dependable for all municipal employees.

That's our job!

SAMWUMED
Real Heritage. Real People. Real Health Care.

HERE'S WHAT SETS US APART

Affordable for Every Income Level

Unlike many medical schemes that charge one contribution regardless of income, SAMWUMED follows an income-banded contribution model. This means even lower-income municipal employees can enjoy quality healthcare at a contribution that's appropriate for their salary.

We believe everyone deserves access to quality healthcare.

Less Money out of your pocket

Every Rand matters. That's why SAMWUMED offers quality healthcare at contributions designed to help you protect your health without putting unnecessary pressure on your monthly budget.

For example:

Option A

Option A Plan

A flexible Medical Savings Account ideal for young professionals, singles, and growing families starts at only **R752,40** (with 60% employer contribution).

Option B

Option B Plan

A comprehensive family cover for parents and larger families starts at only **R1 270,40** (with 60% employer contribution).
